Uasyrim Bani Abdul Ashhal (Radiyahallahu Anhu) was a Sahabi who didn't get the chance to pray even one Raka'at Salat but he was a person of Jannah. He belonged to the tribe of Banu Abdul Ash-hal. When his nation embraced Islam, they called him towards Islam, but he instantly rejected it.

Then one day, the battle of Uhud was called, the people of his nation was going to attend the battle, they left him in the morning in such condition that, he was an Idolator.

He then came to Nabi (Sallallahu Alaihi wa Sallam) in the morning of the battle of Uhud.

Nabi (Sallallahu Alaihi wa Sallam) gave him Dawah towards Islam, he liked the words and accepted Islam than and there. Soon after that the call of the battle of Uhud was called out from the top of the mountain, he was a new Muslim, he picked up his sword and went to the battle field in that early morning.

He was fighting bravely and vigorously until he got severely wounded. After the battle the people was searching for the martyred Sahaba Ikram (Radiyahallahu Anhum). Along with them people of Banu Abdul Ash-hal were also present. When they were crossing him and found him wounded, They became surprised as they left him as an Idolater in the morning. They said each other surprisingly "By Allah, Indeed this is Usayrim! then they asked him, "How did you come here? did you come here for the honer of your nation or for the sake of Islam"

He informed them, " I believe in Allah and his Rasul, I came here for the sake of Islam".

He then Informed them " I accepted Islam in the morning , just after that I came to the battle feild and faught until I got Injured, which I had to get".

Soon after saying that he passed away from this world towards Jannah. Nabi (Sallallahu Alaihi wa Sallam) said about him "he is a person of Jannah"

My dear little hearts, whatever you do, do only for Allah. Allah SWT will open our hearts on the day of judgment and only the sincerity of heart will be accepted and every sincere action will be rewarded with huge Ajr like mount Uhud. That's why no matter how small is the action, lets do everything just for Allah.
