Wahb bin Qubus (R.D) was a shepherd, and he used to live in a village near Madinah. After accepting Islam, he would come from time to time to visit Rasulullah (Sallallahu Alaihi wa Sallam) with his herd of goats. One time he came to Madinah with his nephew and his herd of goats and he tied his goats with a rope so he could see the Prophet (Sallallahu Alaihi wa Sallam).

It was the day of Uhud. Nabi (Sallallahu Alaihi wa Sallam) was in Uhud. As soon as Wahb found out he left his entire herd of goats behind and rushed towards Uhud to fight by the side of Nabi (Sallallahu Alaihi wa Sallam). When he reached there, a group of Kuffar (disbelievers) were advancing to attack Rasulullah (Sallallahu Alaihi wa Sallam) .

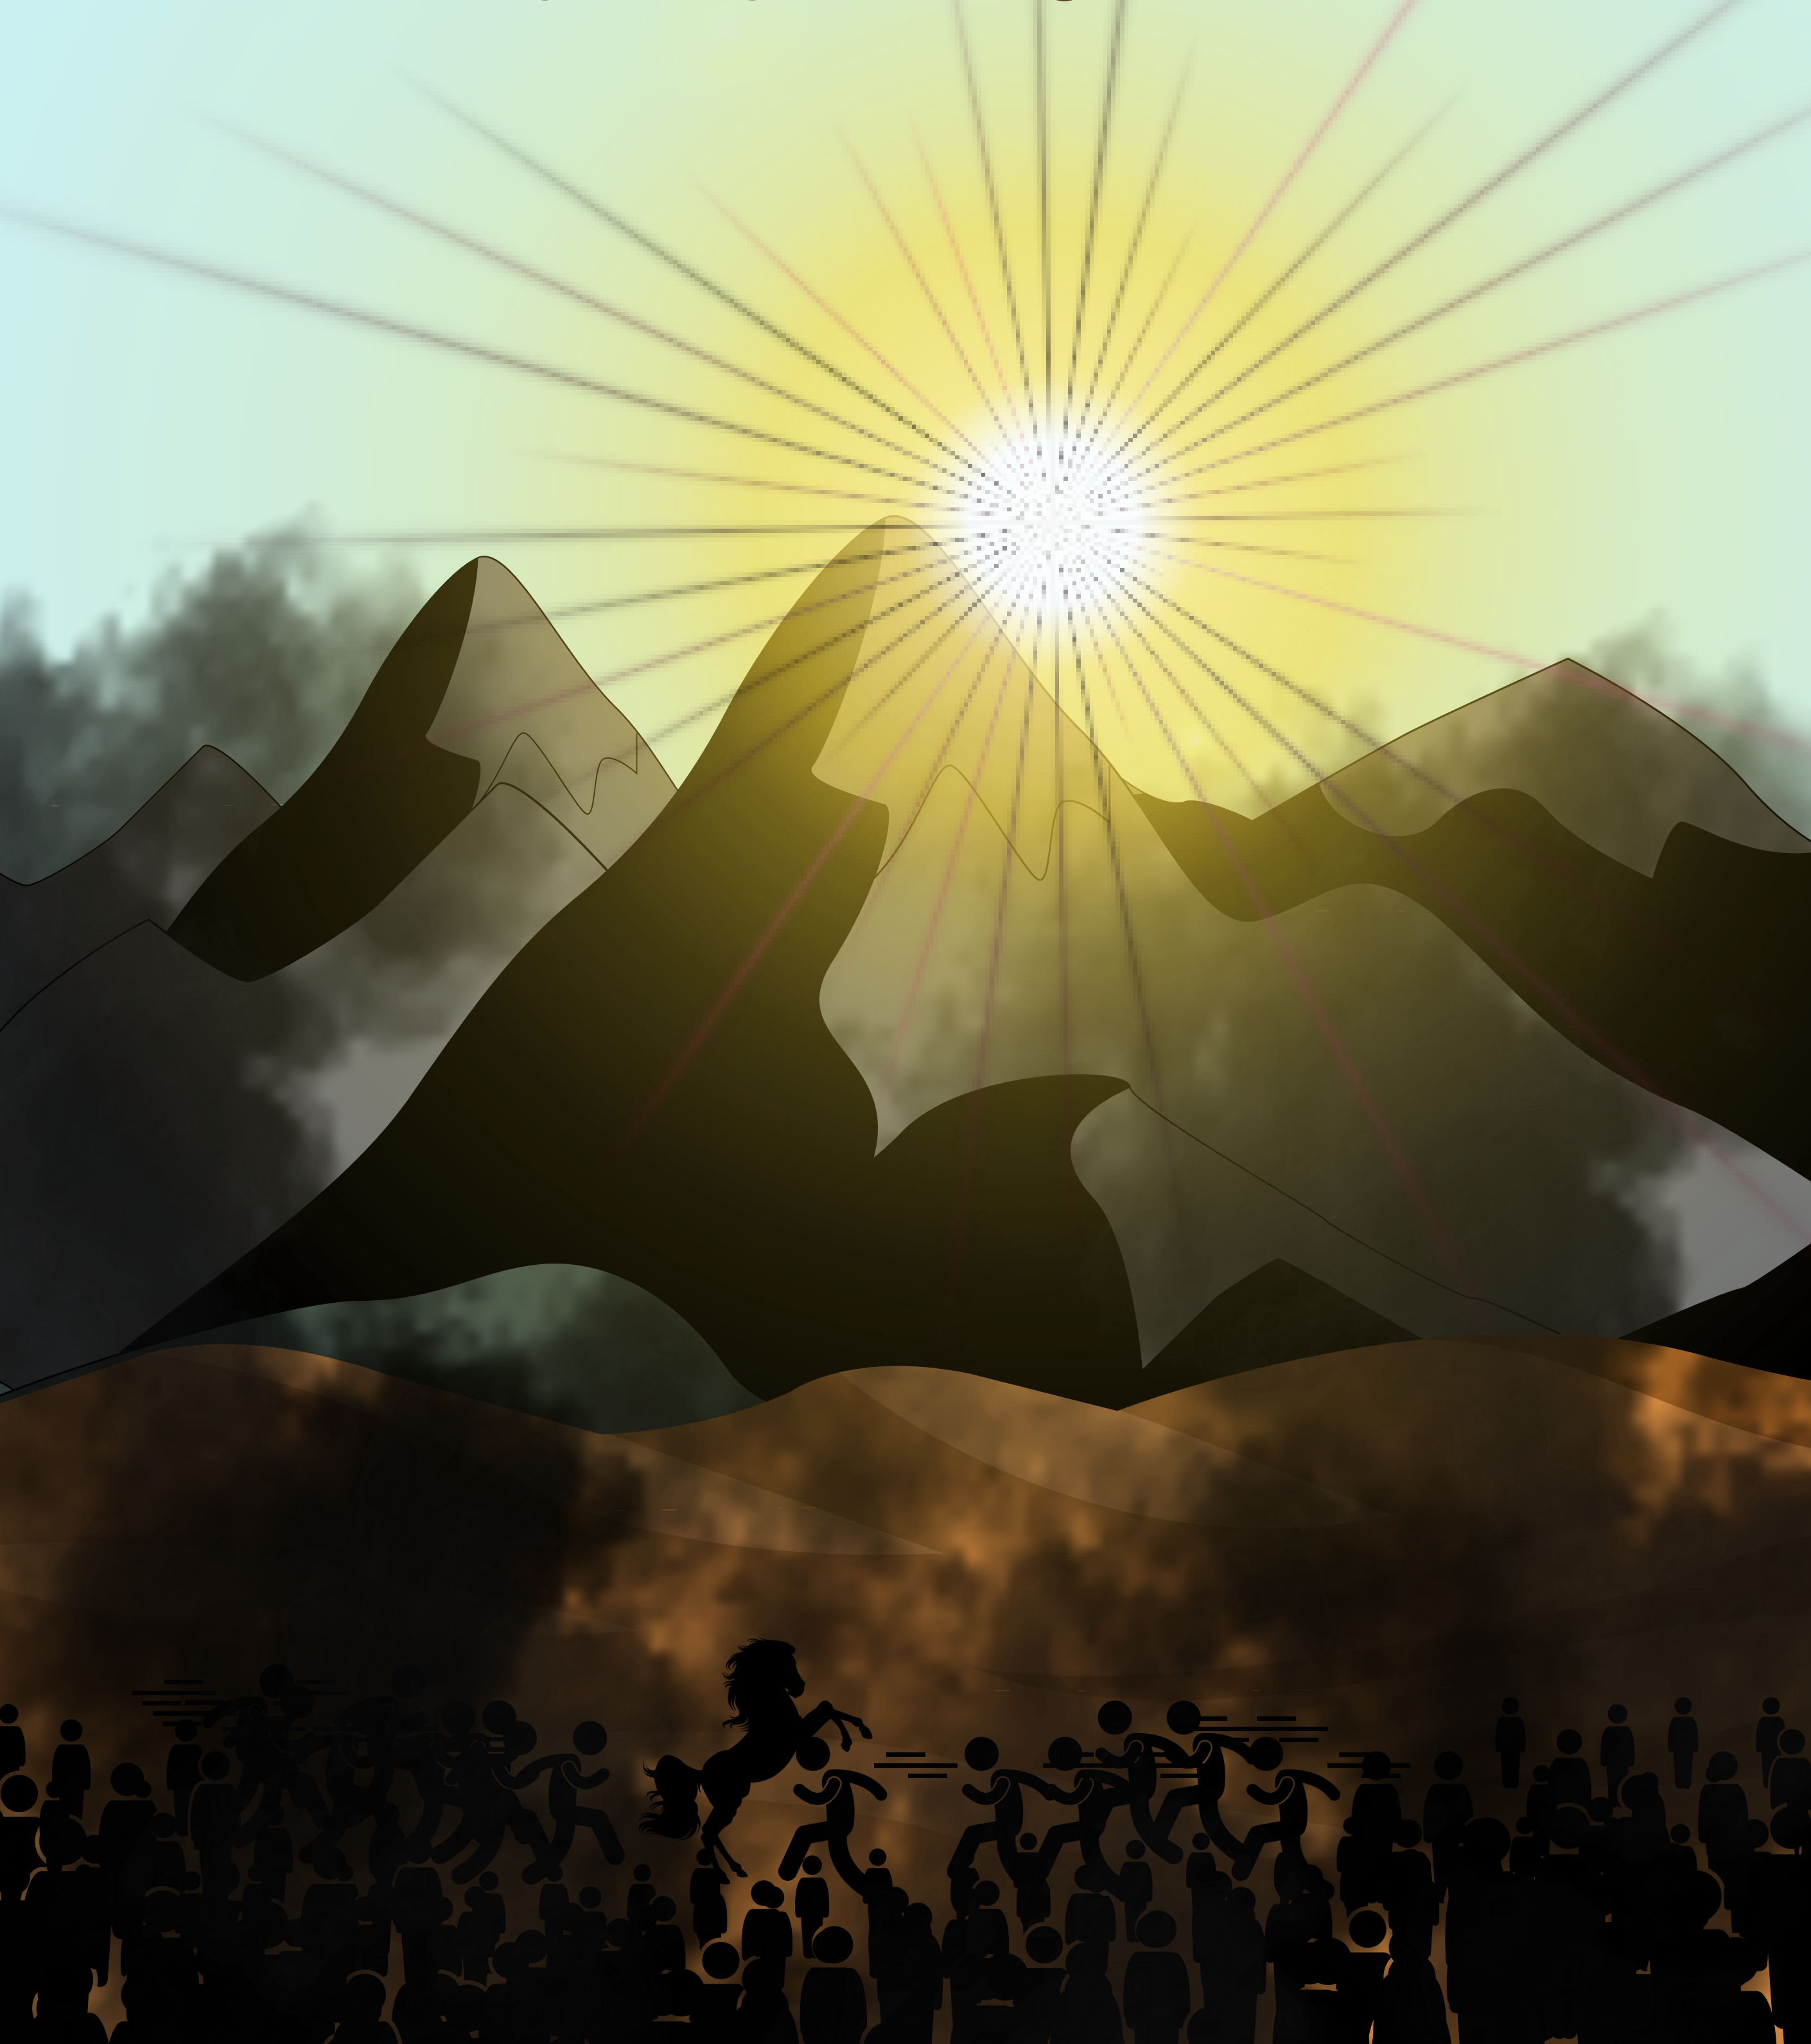

Nabi (Sallallahu Alaihi wa Sallam) announced, "The person who scatters these people will be my companion in Paradise." That was the desire of the Sahaba (R.D): to stay near the Prophet (Sallallahu Alaihi wa Sallam) in this world and in Jannah.

Their actions were similar to the actions of Nabi (Sallallahu Alaihi wa Sallam), their speech was like the speech of Nabi (Sallallahu Alaihi wa Sallam), their happiness, sadness, and life both in ease and adversity, everything was like Nabi (Sallallahu Alaihi wa Sallam). They followed him in every detail of his life because they knew that when a person follows a person he will be with him in Jannah. Here, Nabi (Sallallahu Alaihi wa Sallam) was giving certainty of nearness to him in Jannah!!!

**As soon as Wahb bin Qubus (R.D) heard this, he attacked the group of Kuffar fiercely and scattered them all. A second group headed towards Nabi (Sallallahu Alaihi wa Sallam) and again he fought with them bravely and repulsed all of them. Then a third group also tried to attack Nabi (Sallallahu Alaihi wa Sallam) but for third time he again single-handedly scattered them.**

**Nabi (Sallallahu Alaihi wa Sallam) was so pleased with him that he gave him the glad tidings of Jannah. The Sahaba (R.D) did not have any value of this world in their heart. As soon as he heard this, he jumped into the thick of the enemy and fought until his end. At the end of the battle many wounds were found all over his entire body.**

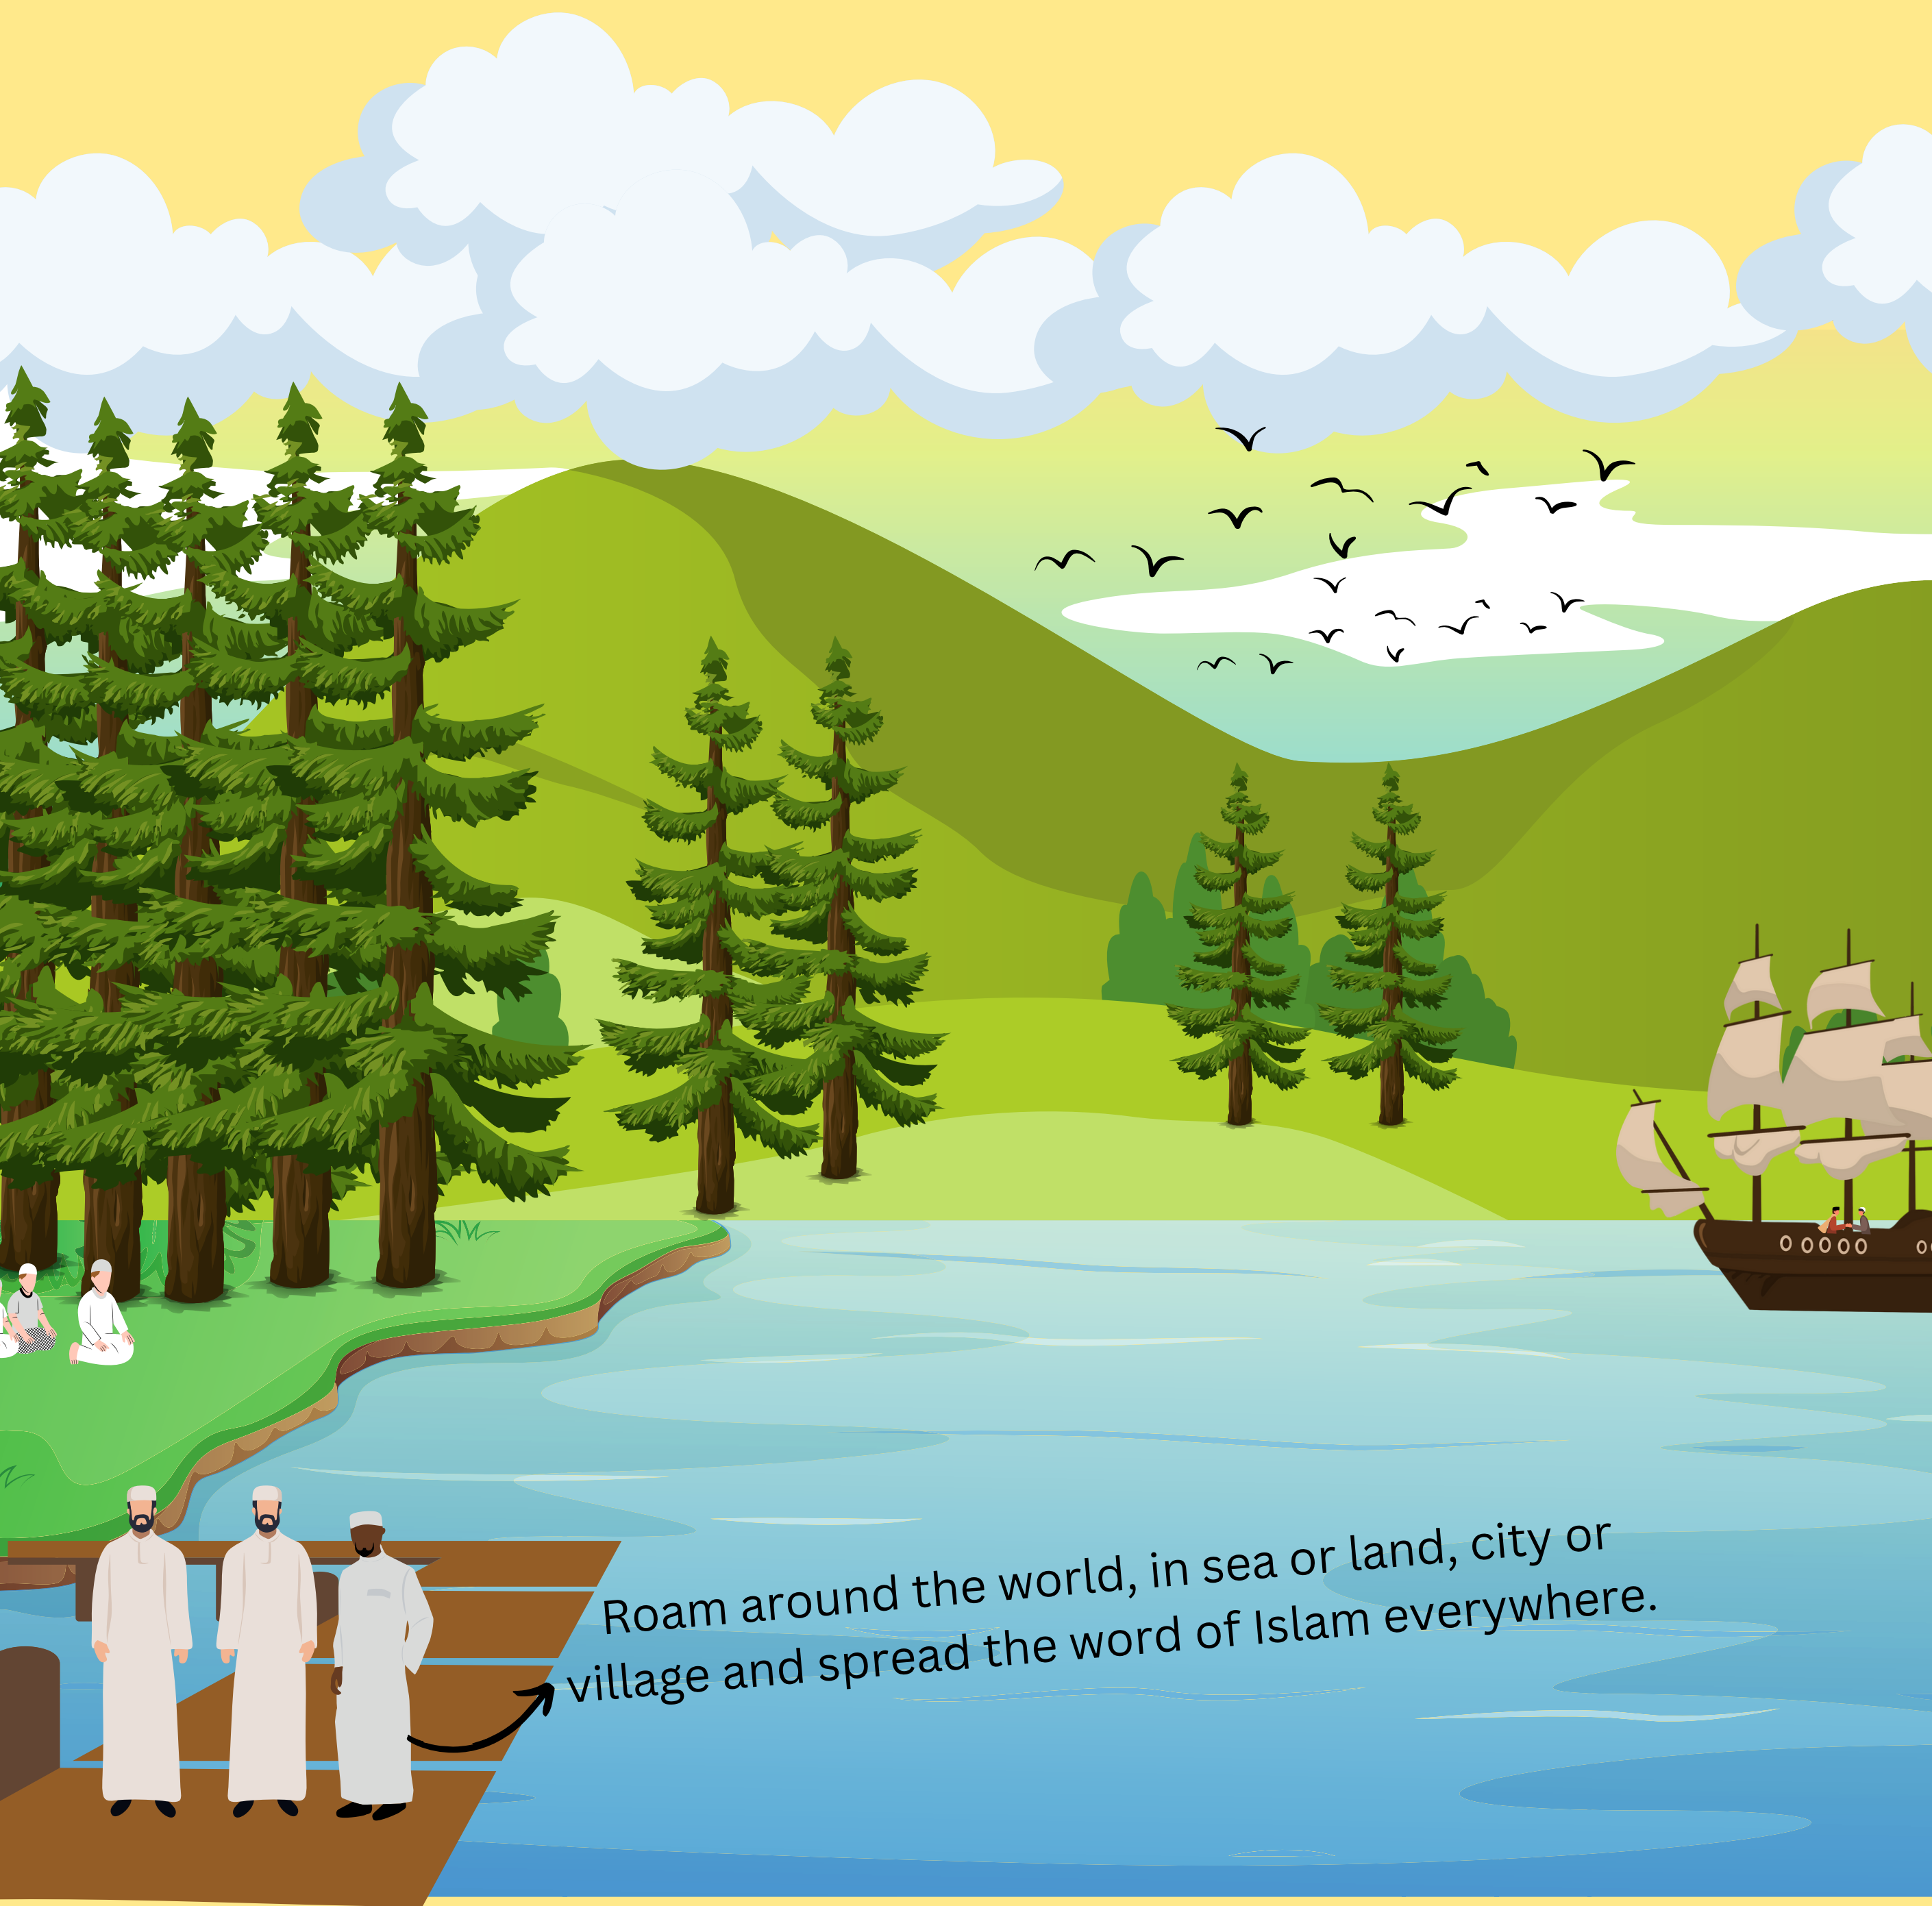

*Glad tidings of Jannah for you*

**Nabi (Sallallahu Alaihi wa Sallam) stood beside his dead body and said, "O Wahb! You have pleased me, may Allah be pleased with you." After that Nabi (Sallallahu Alaihi wa Sallam) buried his body with his own Mubarak hands, although Nabi (Sallallahu Alaihi wa Sallam) himself was wounded severely.**

**My dear little hearts, our Sahaba (R.D) protected our Nabi (Sallallahu Alaihi wa Sallam) and Islam by giving their lives. Today we have no need to do that level of hardship, so let's protect every single Sunnah of Nabi (Sallallahu Alaihi wa Sallam) by practicing them ourselves and giving Dawah to others towards the Sunnah. Let's protect Islam by following every single Ahkam (ruling) of Islam and by giving Dawah to others. If a single person changes his life by our Dawah that is better than this entire world and whatever is in it.**

Roam around the world, in sea or land, city or village and spread the word of Islam everywhere.
